This deals with the art of interrogation and techniques used. My Section Chief has asked that we reach out to you, as well as the BAP to have you all review this paper. We ask that the review be completed by September 13th. The paper is only 12 pages so I hope it's not too much trouble. Feel free to contact me if you have any further questions.

If you are able to reach out to these folks or find where they are known publicly, just shoot me an e-mail. In addition, you agreed to modify [REDACTED] to further protect the identity of the informant. You'll be receiving a letter advising to look into the names mentioned above. I greatly appreciate your help in going over this. I enjoyed the book and wish you all the best in getting it published.
